SAMSON'S HAIR

You will need:

1x A4 brown sugar paper

2 x A4 black sugar paper, cut into strips lengthways, approximately 3cm wide

Sellotape, scissors, blu-tac

1. Cut your brown piece of paper in half, lengthways. Sellotape the pieces together to make one long strip. Hold it round your head for size and mark where the join will be.

2. Lay the long brown piece flat and write the words:

   Samson told Delilah 'I was dedicated to God'

   'My strength is in my hair’  \textit{(all or just 2nd line)}

3. Mark a gap the size of your forehead in the middle of the strip,

4. Cut and stick black strips of paper (approximately 3cm wide) to the rest of the brown strip, on the reverse side up to where the join will be.

5. Turn the brown strip over and 'cut the hair', leaving a small 3cm strip at the top. Then fix the 'long hair' back onto the 'short hair' with blu-tack (on the reverse side)

Now you can put the headband on and have long or short hair!
